Pirates Again Look Strong in Backfield

Moving to the all-important quarterback post, Bernard Swinson (5-10, 180, Sr.) leads the way for the Pirates. Willis says Swinson, who passed for 171 yards [redacted] starter for BHS last fall, both throws the ball well and runs well. "Bernard has shown good leadership for us," he stated. "He worked real hard in the off-season."

But Willis adds that Swinson is being pushed for the job by Herbert Parland (6-0, 185, Sr.), a starter at safety last season. "Herbert throws well and runs the option well," said the coach. The third BHS quarterback is Alvin Allen (5-9, 170, Jr.). The versatile player is the Pirates' starting flanker at the moment.
